Martina Vazquez and P & B Capitol Group,

Thank you for your donation of \$500 to the Children's Cancer Center from your Jeans for a Week event. We are greatly appreciative of the donated funds that were used towards bettering the lives of children battling cancer or chronic blood disorders.

Also, I wanted to introduce myself. My name is Gabrielle Soriano and I am the new office manager at Children's Cancer Center. There have been many positive changes at our center recently and we want to make sure you received the proper gratitude you deserve.

In the future, please expect a prompt thank you letter from the Children's Cancer Center staff on behalf of the kids and families whose lives you have greatly impacted. Dear Martina:

Thank you for your gift of trial sized deoderants to Alpha House of Tampa. Your generous support helps ensure that moms and babies served by Alpha House will have the promising lives our mission intends. You have also joined in our vision to end the cycles of poverty and abuse of pregnant and parenting women in crisis.

We know you join us in celebrating the successes of the moms and babies served by Alpha House. Please let us know any time you would like additional information about our programs and services, or if you would like a first-time (or updating) visit to Alpha House. We offer guests a full tour of our facilities several times a month. Mid-day events include a light lunch and a tour of our campus and the evening visits include wine and cheese as well as the tour. Our next tours are scheduled for January 13th and 27th at 11:30AM. Let us know if you would like to attend.

On behalf of Alpha House moms and babies, the board of directors and staff, thank you for your gift - please keep this letter for your giving records.

Sincerely,

Dear Martina,

Thank you for your past support of the Children's Home Society of Florida. On behalf of the staff, volunteers and most importantly, the children we serve, we would like to express our appreciation by offering you a tour of our emergency shelter Joshua House. This way you can see first hand how your support directly impact the lives of those we serve.

Joshua House is home to more than 40 abused, abandoned or neglected children ranging from age 6 – 17, on an 11- acre site with five licensed homes. The dedicated, well-trained staff and volunteers create a family-like environment that nurtures a positive self-image and prepares them for the future. In addition, therapeutic services are provided to help heal the wounds of their experiences.

Please call me today to reserve a tour date below:

March 8th
April 5th
May 17th

All tours take place on Tuesdays from 11:00-12:00 p.m. Tours begin in the board room with an introductory video and include a walking tour of the multi-purpose room, one of the residency houses, the therapy center, and the donation center. If you are unable to attend on these dates, please contact me and we can set-up a time that accommodates your schedule. Please confirm your attendance at 813-740-4266 ext. 237.

Sincerely,

Dear Ms. Vazquez

Thank you for your in-kind gifts to the Children's Home Society of Florida (CHS) from P & B Capital Group. We are extremely grateful for your support during this special time of year. It is because of the generosity of donors like you that we are able to provide a happy holiday season for all of the children in our care.

In 2009, the Gulf Coast Division of the Children's Home Society served more than 5,600 children and families in the Tampa Bay and Lakeland area. Your contribution will help meet the many needs of some of our community's most vulnerable children and families. Our goal is, and always will be, to build, mend and strengthen Florida's families.

On behalf of the children we serve, thank you very much for helping us to continue our legacy of embracing children and inspiring lives.

Sincerely,

Michelle A. Turman
Director of Development
