Dear Brad,

In addition to the opportunity to learn the game of golf, members of the Boys & Girls Clubs receive Character & Leadership Development, Education & Career Development and Health & Life Skills. Your Hole Sponsorship of \$400 in the Atlantic Credit & Finance Skins Game will make it possible for us to fulfill our mission "to inspire and enable all young people, especially those who need us most, to reach their full potential as productive, caring and responsible citizens."

This year alone, we have approximately 600 members, ages 5 – 18 in the Roanoke Valley area. With your help, we strive to instill young people with a sense of competence, usefulness, belonging and power of influence. Our goals include working with children to improve their grade point averages, as well as their self esteem. To instill positive values and provide them with a club environment that is warm, comfortable, and safe.

On behalf of our members, staff and board of directors, we thank you for your generous sponsorship. Please consider it an investment in our future leaders and the community in which we live. You have made it possible for children to learn, play, experience joy, and feel proud to be a part of something great!

Very sincerely,

Laurie E. Gibbons
