Mr. Sean Welch
Phillips & Burns
461 Ellicott St. 3rd Floor
Buffalo, NY 14203

Dear Mr. Welch:

I wanted to personally thank you for all of the support Phillips & Burns, LLC has given Roswell Park Cancer Institute over the past year through the \$25,000.00 sponsorship of Ryan's Miller's Saves for Cancer.

Funds from this initiative helped raise money for Carly's Club. Carly's Club for Kids & Cancer Research in WNY exists to offer support programs to make life more manageable for children diagnosed with cancer and their families, and to raise funds for pediatric cancer research seeking cures at Roswell Park Cancer Institute.

On behalf of Roswell Park Cancer Institute, I want you to know how very appreciated your gift is and what a difference it will make in support of our mission to save lives.

Our faculty and staff are entrusted to care for over 23,000 patients and their families every year. We pride ourselves on our ability to offer the most advanced treatment options currently available in the world, and serving the "whole" patient with compassionate care, including psychological and social support programs. Donations are critical to both of these priorities and your gift will help us to offer personalized and comprehensive care.

Gifts to Roswell Park also support research deemed by the National Cancer Institute to be among our country's very best. Cancer research is the path to beating cancer. These studies are helping to develop better diagnostic and screening methods, improved cancer-fighting drugs and therapies and more minimally-invasive surgical procedures. Again, we could not hope to achieve any of these results without our donors' support.

Most sincerely,

Benjamin Freidson
